The sacred temple is first among the four holiest Char Dham of India & prime among the Chota Char Dham of Uttarakhand. The majestic holy shrine is also one among the 108 Divya Desams dedicated to Lord Vishnu.

Mythological Significance: The mythology surrounding Shri Badrinath Temple is intricately woven with the legends of Lord Vishnu, particularly in his form as Badrinath, the preserver of the universe. According to Hindu mythology, Lord Vishnu meditated at this sacred spot for countless aeons, seeking penance to alleviate the sufferings of humanity. Impressed by his devotion, Lord Vishnu's consort, Goddess Lakshmi, assumed the form of a Badri tree (Indian Jujube) to provide him shade, hence the name Badrinath.
